Materials

A knotted durmast look for laminated FSC-certified top-quality poplar panels, from responsibly managed forestries.

Thanks to "UV polymerization" and Canon printing technology, the liquid inks solidify, ensuring truly eco-sustainable results.

8-mm tempered float glass top.

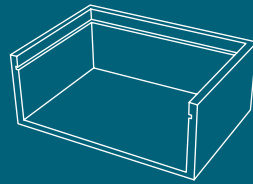

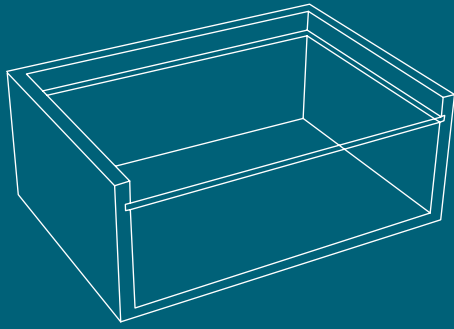

WARNINGS

Clean with a cloth dampened with warm water, then wipe the surface dry immediately.
DO NOT USE AGGRESSIVE CLEANSING AGENTS CONTAINING SOLVENTS.
This product is not suitable for outdoor use. Maximum capacity: 10 kg.

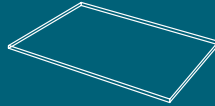

SAFETY TIPS

The nightstand should be wall-mounted so that it cannot be tipped over or otherwise harmed.
Do not position the nightstand near sources of heat. DO NOT SIT OR STAND ON THE NIGHTSTAND.
Do not place inside the nightstand any person or animal, or any red-hot or extremely hot object.
